# NAKED UNDER A BLUE SKY

An Adventure of Spiritual Self-Discovery  
by Dr. Blair Reynolds and Muriel Wang

On Naked Under A Blue Sky:

*“...a magnificent change of pace from mainstream commercial fare.”*

—Ralph Brox, Author, *Words in Blood Editing*

*“The strongly drawn characters of Naked Under A Blue Sky feel familiar, like some of the more unusual characters at your local coffee cafe...”*

—Christine de Vries, Publisher and Editor

*“The author’s vivid portrayal of off-beat, yet accessible characters draws one into caring about their quest.”*

—Katherine E. Rein, Young Writers Institute

Critics and readers alike are raving about this enthralling, fascinating new novel. *Naked Under A Blue Sky* tells the story of six strangers, who each embark on a journey of spiritual self-discovery. There’s Linus, whose harrowing experience at the hands of a loathesome nun have turned him against religion and God; Ariel, still bitter over the senseless death of her sister searches for answers to difficult questions; identical twins Dan and Neil are so close, their personalities seem identical as well; cynical, tough-as-nails Mitch wants desperately to love again but doesn’t know how to and finally, Jericho, a midget with gigantic ears and a heart to match. Of the six personalities, it is the obscure Jericho who gently convinces them to look *within themselves* for the answers they seek—which culminate in one solitary, soul-searing truth.

You’re sure to be entranced by this hypnotic, humorous, engaging debut novel, for *Naked Under A Blue Sky* is a book you’ll remember long after the last page is turned.

**BLAIR REYNOLDS, PH.D** is a professor with a doctorate in Theology from the University of Pittsburgh. Dr. Reynolds is fascinated by mysticism and religion and lectures extensively on college campuses throughout the nation. An Alaskan native, he lives in Fairbanks with his wife Debbie and their cocker spaniel. This is his first novel.
